### SECTION B: Third-Party Software Licensing

This is a selected list of third-party software. For a more complete list, please visit the Apple Store for Education: <http://www.apple.com/education/store>

**Note:** Products offered on this price list which do not bear the Apple Brand name are serviced and supported exclusively by their manufacturers in accordance with terms and conditions packaged with the products. Apple's Limited Warranty does not apply to products that are not Apple-branded, even if packaged or sold with Apple products. Please contact the manufacturer directly for technical support and customer service.

#### IMPORTANT INFORMATION REGARDING ORDERING THIRD PARTY SOFTWARE LICENSING

**Contact Information:** End-user (or, tech coordinator) contact information is required in order to fulfill orders for third party software licensing. Minimum required contact information includes: (1) Name of intended end-user; (2) email address, phone and fax number.

**Volume Pricing**

Pricing of 3rd party software licensing is based on volume purchased. Higher volume purchases receive greater savings. To facilitate timely and accurate fulfillment of orders, it is essential that the part number ordered corresponds to the software license volume being purchased.

### Creativity & Productivity Tools

#### Adobe Creative Suite 5

Adobe Creative Suite 5 takes full advantage of the super fast, multi-core Intel processors in every new Mac. It offers all-new versions of your most essential applications. Purchase Adobe product licenses under one consolidated volume licensing program, enabling cost savings and resource efficiencies.

The Adobe **Transactional License Program** offers Electronic Software Delivery (ESD) free of charge to those placing TLP orders. **Media kits are also sold separately.**

Adobe's Transactional Licensing Program makes it easy to get volume pricing with no membership requirements and no agreements to sign.

Adobe Transactional License Program products are setup with point-based tier pricing, not volume-based tier pricing. The more points purchased on a single transaction, the greater the point value of the transaction, resulting in a lower price paid for each license purchased on that transaction.

**The total point value for each transaction determines the pricing tier for each product on that specific transaction:**

Total point value for a single transaction, 1-2499: ALL products on transaction must be purchased at Tier 1 pricing.

Total point value for a single transaction, 2500+: ALL products on transaction must be purchased at Tier 2 pricing.

*NOTE: Each transaction is independent from every other transaction. Points may not be accumulated over multiple transactions.*

**EXAMPLE**

**Purchase 5 copies of Adobe CS5 Design Standard Licensing and 5 copies of Adobe CS5 Web Standard Licensing**

TOTAL POINT VALUE:	3,150 points
TIER TO PURCHASE:	<b>Tier 2</b>
PRODUCT TO ORDER:	<b>Quantity 3 licenses: H1528LL/A Adobe Creative Suite 5 Design Standard - TIER 2 (450 points), \$360.00 each</b> <b>Quantity 3 licenses: H1533LL/A Adobe Creative Suite 5 Web Premium - TIER 2 (600 points), \$480.00 each</b>

*OPTIONAL:* Up to 5 sets of media: **H1529LL/A Adobe Creative Suite 5 Design Standard - Media Kit, \$20.00 each**

Up to 5 sets of media: **H1541LL/A Adobe Creative Suite 5 Web Premium - Media Kit, \$20.00 each**

### FileMaker

FileMaker® database software helps schools in many aspects of collecting, managing and reporting on student and administrative data. More than 10,000 K-12 schools use FileMaker in their data-driven decision-making processes to achieve greater operational efficiency, easily comply with federal and state reporting requirements, advance teacher development and monitor student performance.

Licensing for FileMaker - please review licensing policies for Education Volume License Agreements (EVLA); Maintenance for EVLA; Education Site License Agreement (ESLA) and Maintenance for ESLA. Those products delivered Electronically are denoted with ESD.

## K-12 and Higher Education Institution Third-Party Products: Software Licensing and Hardware Price List September 17, 2010

All FileMaker Licensing is delivered via electronic download, separate media is not required. Upon purchase, the customer will receive the following: 1) A link to the download of the PDF license certificate. This certificate will contain the license keys for product installation and therefore will need to be printed before installing the product and 2) A link to the software download.

Additional Electronic License Delivery information can be found at: <http://www.FileMaker.com/purchase/store/downloads.html>

Note: An upgrade from Server 9 or 10 to Server 11 Advanced would require an upgrade to Server 11, and then an upgrade to Server 11 Advanced.

### Education Volume License Agreement (EVLA)

The minimum initial order for a EVLA is 5 seats of software licenses. Customers can mix & match any FileMaker software products, as well as new and upgrade seats to reach the minimum volume requirement for each tier. Maintenance does not apply towards the 10 seat minimum.

One year of Maintenance is automatically included with all licensing purchases of FileMaker Pro, FileMaker Pro Advanced, FileMaker Server and FileMaker Server Advanced. Only FileMaker Pro, FileMaker Pro Upgrade and FileMaker Pro Maintenance are available on a per-seat, multi-tier pricing discount structure. To add-on new or upgrade copies of FileMaker products to an existing license agreement, customers must have a FileMaker 8 or newer VLA. There is no minimum purchase quantity required for add-on products, and they count towards the FileMaker Pro minimum volume requirements for each tier. The current VLA number must accompany the order if the total number of units is less than 5. License keys for product installation are listed on the volume license certificate.

#### **Maintenance for EVLA**

EVLA Maintenance customers must renew their Maintenance prior to its expiration to take advantage of the regular Maintenance price. Once renewed, the new Maintenance expiration date will be one or two years from the original Maintenance renewal expiration date (depending on the renewal SKU purchased). Once the Maintenance expires, an "Expired" Maintenance price is available for EVLA customers who want to renew the expired Maintenance contract. The new Maintenance expiration date will be set to one or two years from the date of the Expired Maintenance order (depending on the renewal SKU purchased). If a customer's Maintenance expires and FileMaker announces the availability of an upgrade, the customer is no longer eligible for the Expired Maintenance price. The customer must purchase the product upgrade or (if upgrade version does not qualify) new licenses. When additional years of Maintenance are added to extend the expiration date of a line item on the same purchase, the seats extending the Maintenance expiration date do not count towards tier levels, minimum initial order quantity, or product discount levels. Customers ordering Maintenance Renewal for existing licenses and new licenses (which include Maintenance) at the same time, must submit two separate orders if the Maintenance renewal date for the existing licenses is not in the same billing quarter as the new licenses. Customers who wish to renew Maintenance on multiple seats with multiple end dates must submit separate orders if the renewal dates are not in the same billing quarter.
